## Special and/or sensitive personal data that we process

Hostvio has no intention of collecting data from users who are under the age of 16, unless those users have obtained permission from their parents or guardians. However, we cannot verify whether a user is over the age of 16. We recommend that parents be involved at all times in the online activities of children under the age of 16. This way parents can prevent the collecting of data from the children without the consent of the parents or guardians. If you suspect that we have data from your minor child without permission you can always send an email to [info@sq3.nl](mailto:info@sq3.nl) (the main company) and we will check and delete it.

### **Why we collect/process personal data**

Hostvio processes personal data for the following purposes
